

Strategic Plan

WasteMINZ Territorial Authority Forum

2014-2016

Vision:

To facilitate a clear and cohesive voice for the local government sector in relation to waste and resource recovery issues in order to influence and shape the future direction of the industry. This will be achieved through advocacy on behalf of the local government sector, leading strategic thinking on the future of the waste industry, and encouraging information and knowledge sharing

Strategic Areas of Focus:

- Product Stewardship
- MfE WWMP reviews
- MfE Levy Review outcomes
- National Waste Data Framework Project

Goals:

1. Provide opportunities for territorial authorities to engage with one another to network, share knowledge and identify their priorities.
2. Identify opportunities to engage with central government and advocate on territorial authorities' priorities.
3. Assist in the development and adoption of a robust data collection framework to enable territorial authorities to benchmark and make informed decisions.
