SPONSORSHIP OPPORTUNITIES

Sponsorship provides your organisation with the opportunity to leverage unparalleled access to a wide base of industry professionals, plus local and central government decision-makers.

Sponsorship will deliver you a highly targeted and relevant captured market of approximately 550 conference delegates, enabling you to:

- Build brand recognition and generate awareness
- Showcase and profile your organisation among the key decision-makers
- Establish new, and reinforce existing, relationships with the waste, resource recovery and contaminated land management sectors across New Zealand
- Launch new initiatives, products and services
- Network with delegates face-to-face during morning and afternoon tea breaks, lunch, and at the networking drinks and gala dinner.

Sponsorship cements your role as a thought leader across the waste, resource recovery and contaminated land management sectors in New Zealand.

This is **your** conference for **your** industry, so we encourage you to make the most of this annual opportunity.

All sponsorship enquiries should be directed to **Irma Klein** at **irma@wasteminz.org.nz**
