welcome

Welcome to WasteMINZ's conference and expo 2025. We are really looking forward to being back in the South Island – it has been a long-time coming! Christchurch is a very vibrant city and Te Pae Christchurch Convention Centre is beautiful and very spacious, and running a conference there will be a first for us.

We have a number of sponsorship packages and expo sites available, and our conference will give sponsors and exhibitors an opportunity to access a diverse audience (of approximately 500 people). Also, for the first time ever, non-members will be able to purchase sponsorship packages and expo sites, however, non-members will be charged more, and members will be given preference until 6 November 2024.

Sponsorships are a chance to enhance your brand, increase awareness, make new connections, and build on existing relationships. Each package sets out the benefits and I hope there is one that fits the bill.

Expo sites are a way for you to showcase your initiatives, products and services and all catering, apart from the farewell lunch, will be held in the expo hall – so there will be lots of opportunities for delegates to interact with each of the expo sites. We encourage interactive activities at each expo site and are really happy to give potential exhibitors guidance on how to make their expo site inviting.

For all sponsorship and exhibition enquiries, please contact Nadja Hirzel, WasteMINZ's membership & events manager, at nadja@wasteminz.org.nz.

venue

Te Pae Christchurch Convention Centre has been designed as Ōtautahi Christchurch’s ‘gathering place’, with a strong influence coming from the region’s mana whenua (people of the land).

The exterior of Te Pae Christchurch is distinctive, reflecting the jagged outline of the Southern Alps, while the exterior façade features 43,000 herringbone tiles, designed to evoke Canterbury’s braided rivers.

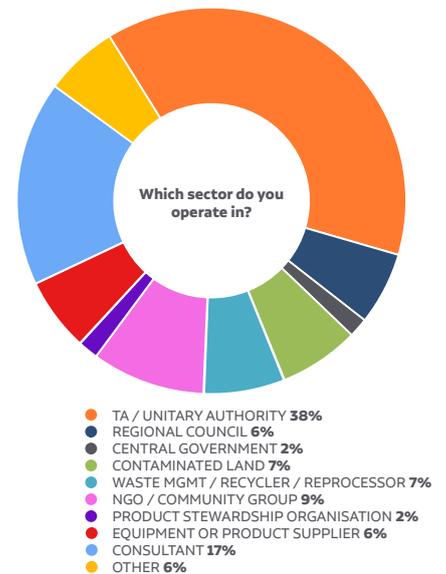

The interior reflects the city’s diverse culture, history, and values. The concept of flow is also a distinctive part of the interior, with large, floor-to-ceiling windows reflecting the fluidity and curves of the intertwining rivers.

Every space within Te Pae Christchurch has been designed with the needs of organisers, attendees and service providers in mind, from feature furnishings to the numerous artworks telling stories of Māori culture.

Located in the thriving centre of the South Island’s largest city – just 20 minutes from the Christchurch International Airport – Te Pae Christchurch has been ideally positioned to allow guests and delegates to enjoy a unique and authentic experience of the city, and the wider region.

Who is attending?

The 2024 Conference at Claudelands in Hamilton saw an attendance of 580 delegates. Of the 155 who responded to our post-event survey, the below graphic indicates the various sectors the attendees operate in.
